Ref. No.: **BS2015-nTxZ156-N0-V00**

Bern, 24. May 2016

Authorization

In accordance with Article 25 of the Federal Law of 8 October 2004 concerning the Transplantation of Organs, Tissues and Cells (Transplantation Law, SR 810.21), the Swiss Federal Office of Public Health grants the company

Stemlab AG
Business Park ZUG
Sumpfstrasse 26
6301 Zug

an authorization for

the export of human tissues

according to the following duties and conditions:

1. The authorization is limited to the export of cord blood intended for allogeneic (familiar) transplantation, for storage in 3060-197 Cantanhede, Portugal, by Stemlab SA.
2. The responsible person according to article 18 letter a of the Transplantation Ordinance is Dr. Ma-reike Uhlmann, Quality and Customer Service Manager, Stemlab AG, 6301 Zug.
3. The authorization is valid until 3 May 2021.
4. This certificate replaces the certificate dated 3 May 2016.
